

Custom-Reports.Net **Track Customers Orders Report**

Description:

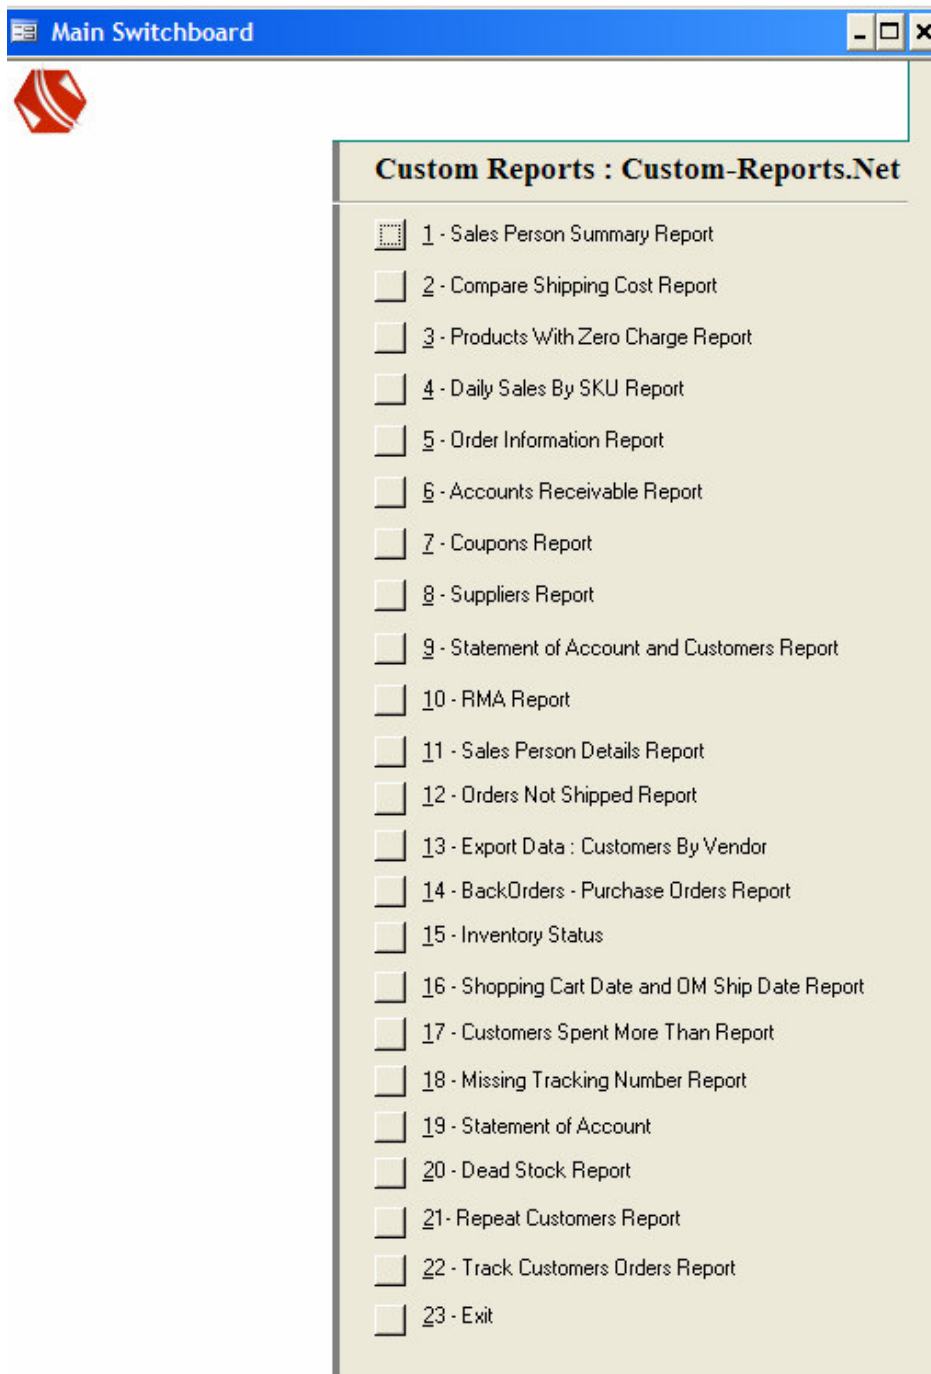

Track Customers Orders Report:

Shows the days since the last time each customer ordered sorted descending by the days.

If a customer never ordered, it won't be included in the report.

There is a filter so you could search for customers that haven't ordered for a certain amount of days (- 30 days, 30 – 60 days, 60 – 90 days, + 90 days)

Step1: Select the report to run, 22 – Track Customers Orders Report

The screenshot shows a web application window with a blue title bar labeled "Main Switchboard". Below the title bar is a red logo. The main content area is titled "Custom Reports : Custom-Reports.Net" and contains a list of 23 reports, each with a checkbox. Report 22, "Track Customers Orders Report", is the target of the instruction.
